TINGNAN: Sinulit ng mga empleyado at fans ng ABS-CBN ang mga huling pagkakataong kumuha ng souvenir shots sa main gate ng makasaysayang Ayala ABS-CBN Compound sa Sgt. Esguerra kahapon, isang araw bago ang nakatakdang pagsasara nito sa lahat ng empleyado, bisita at sasakyan ngayong araw August 16.
Bunsod pa rin ito ng epektibong paglipat ng principal address ng kumpanya mula Sgt. Esguerra Avenue patungong ELJ Building sa Eugenio Lopez Drive at nalalapit na pagsasara at demolisyon ng broadcast studios.
Ayon sa mga security guard, tanging pagsasara lamang ng Main Entrance at Vehicle Exit Gate sa Sgt. Esguerra Avenue ang gagawin, at mananatili pa rin muna ang studio at newsroom operations ng Main Building sa ngayon "until further notice".
Kasabay nito, ililipat na simula ngayong araw ang pasukan ng mga sasakyan ng ABS-CBN News at DZMM sa Center Road Gate sa may Mother Ignacia Avenue, katabi ng ELJ. Gagawin namang enclosed carpark ang buong harapan ng Main Building at kinabitan na rin ng isang convex mirror ang labasan ng guardhouse sa looban ng compound upang magabayan ang pagliko ng mga sasakyan.
Nagpatupad na rin ang Barangay South Triangle ng 2-way traffic scheme sa Sgt. Esguerra Avenue at Eugenio Lopez Drive imbes na one-way.
Bukod sa naging pangunahing pasukan ng mga empleyado at sasakyan ng Kapamilya network, naging bahagi rin ng mga ganap kwento ng iba't ibang networks na umokupa sa complex mula 1968 hanggang ngayon: kinubkob ng militar, nilusob ng mga rebelde, pinagdausan ng mga nag-protesta, at pinagsindihan ng mga kandila.
Mananatiling nakaantabay ang **Infinitri Creatives** sa mga darating na posibleng pagbabago sa mukha ng ABS-CBN Broadcast Center. Sama-sama rin nating ipagkalat ang hashtag na **#SaveABSCBNCompound** upang igiit ang pagpreserba sa historic landmark.

FLYING RETURN 🦅

Ateneo—under interim caoch Louie Alas —returns to the court for the first time in more than two months, scoring a 71-60 win over Our Lady of Fatima in the wildcard of the Pinoy Liga Big Dance at the Blue Eagle Gym on Sunday.

It's the first game of the embattled Blue Eagles since Dipaculao, Aurora tragedy that led to the drowning of Rene Baterbonia and Divine Adili.

Ateneo offered a moment of silence for their fallen brothers before the game.

Ateneo's unfortunate tragedy in Aurora sparked a national investigation from multiple government and sports agencies centered on resigned and head coach Tab Baldwin.

The probe is still ongoing but the UAAP already handed out a perpetual ban on Baldwin and an indefinite suspension on eight team staff.

Ateneo as a team has been given a greenlight to still compete in the upcoming UAAP Season 89. (Photo/Pinoy Liga/Ateneo) | via John Bryan Ulanday

Sige, yan naman ang gagawin sa digmaan eh
na ninanais-nais niyo rin sa lahat din ng

pakay at bagay ba que may bahid o wala man
ng pulitika't pamamahala.
At na ang lahat ng iyan, mainam, maigi at
makabayan parati yang mga iyan.
Hindi ko nga dapat binubuga sa inyong lahat to

Kaso wala eh, kaya sa ganitong paraan lang ba

grupo-grupo que sa pulitika, pamahalaan,
militar, pulis, pribado, komersyal't kung
saan-saan pa mas que ano pa maging bunga't

Tapos ipapalandakan niyo pa na ang
pakikihakubilo't pagtalima sa kung ano't sino
nandiyan sa paligid pati na ang pagkautang na
loob sa mga iyon ay paghubog ng pagkatao't
pagkamakabayan at na mainam, maigi at

Masahol kayo sa pagiging sigurado at tiyak
parati't habambuhay sa lahat.
Hindi niyo na pinapakita ang talagang pagiging
makabayan't maalam sa buong daigdig na
naapakapakan naman natin kailanman pati na
sa pagiging bahagi nun pareho ba.
Namimili na kayo. Pinapalandakan niyo na pa

WHEN KRIS AQUINO SPOOFED HER CLASSIC HORROR FILMS IN 'SISTERAKAS' 👻😂
Kris Aquino knows a thing or two about getting audiences to scream, but in "Sisterakas" (2012), the Queen of All Media turned her horror movie legacy into comedy gold! 🤣
Fashion rival Bernice (Vice Ganda) gets her revenge on Roselle (Kris Aquino) by giving her a scare, but the spooky encounter comes with plenty of familiar faces. In the restroom, Roselle comes across an eerie woman in a wedding gown, a nod to "Sukob" (2006), before encountering a bagua mirror and the Lotus Feet ghost in the hallway and staircase, both references to "Feng Shui" (2004).
The scene becomes a hilarious throwback to Kris' iconic horror roles, giving fans a playful reminder that the scream queen can make audiences laugh just as easily. 👻🤣

ANG WOW! SIGNAL

Noong August 15, 1977, nadetect ng Big Ear Radio Telescope ng Ohio State University ang isang malakas na 72-second transmission na lumitaw sa isa sa mga channel ng telescope. Ang astronomer na si Jerry Ehman ang nakadiskubre sa kakaibang signal, dahilan upang siya ay mamangha at mapasulat ng "Wow!" sa reading ng naturang signal. Dahil dito, nakilala ito bilang "Wow! signal" na isa sa mga misteryo sa paghahanap ng extraterrestrial intelligence.

Noong 1959 nang ilabas ng Cornell University physicists na sina Philip Morrison at Giuseppe Cocconi na maaaring makipag-communicate ang anumang extraterrestrial civilization sa pamamagitan ng radio signal na natural na inilalabas ng hydrogen, ang pinakakaraniwang element sa universe. Matapos ang masusing pag-aaral sa extragalactic radio sources, noong 1963 nang buuin ng Ohio State University ang Big Ear Radio Telescope (ngayo'y Ohio State University Radio Observatory) na naglalayong maghanap ng senyales ng intelligent life sa ibang planeta. Bahagi ito ng programang may kinalaman sa SETI o Search for Extraterrestrial Intelligence. Halos kasinlaki lamang ng tatlong football fields ang Big Ea[illegible] sa pagdetect ng mga maliliit na radio waves.

football fields ang Big Ear at nakatuon lamang sa pagdetect ng mga maliliit na radio waves.

Noong August 15, 1977, nadetect ng isa sa mga telescope ng Big Ear ang isang napakalakas na signal na tumagal ng 72 second. Nagmula ito malapit sa kinaroroonan ng constellation Sagittarius. Higit 30 beses ang lakas ng signal kumpara sa iba pang ingay na nadetect ng Big Ear at may narrowband signal itong umaabot sa 1,420 megahertz. Ang misteryosong signal na ito ay natukoy ng astronomer na si Jerry Ehman ilang araw mula nang madetect ito ng Big Ear. Sa kaniyang gulat, naisulat niya ang "Wow!" sa reading ng signal. Kilala ngayon ang 1977 signal bilang Wow! signal. Sa paglipas ng mga taon, nananatiling palaisipan sa mga eksperto ang Wow! signal. Hindi na ito muling nadetect mula nang una itong malaman noong 1977. Ang kakaiba nitong katangian ay lalong nagpalakas sa paniniwala ng ilan sa presensya ng extraterrestrial life. Iba't ibang teorya ang inilabas ng mga eksperto sa kalikasan ng Wow! signal. Sinasabing posibleng nagmula ang signal sa dumaang kometa o sa isang cosmic fluke. Sa isang pag-aaral noong 2024, ipinagpapalagay na posibleng nagmula ang signal sa isang hydrogen cloud. Sinuportahan ito ng isa pang pag-aaral noong 2025. Gayunman, wala pa ring matibay na ebidensya sa tunay na pinanggalingan ng Wow! signal.

EBIDENSYA NG PAGNANAKAW NG MGA MARCOS.

Among the evidence recovered by Presidential Commission on Good Government from Malacañang in Feb. 1986 were the original documents that Ferdinand and Imelda Marcos used to open their Credit Suisse bank accounts with $900,000 deposits in 1968, under "William Saunders" and "Jane Ryan."

The Marcos couple's Credit Suisse accounts were among the countless offshore accounts, in Switzerland and other nations, that they used to hide their ill-gotten wealth. In a historic 1997 decision, the Swiss Federal Supreme Court declared these bank accounts "of criminal origin."

Because of this, after a long legal struggle, the Philippine Supreme Court—under the late chief justice Renato Corona—declared the Marcos Swiss bank accounts (with the amount of $658 million) "ill-gotten" and ruled for their forfeiture in the Republic v Sandiganbayan decision (G.R. 152154).

The forfeited billions of pesos from the illicit Marcos Swiss bank accounts have been used primarily, under Republic Act 10368 (2013), to compensate the 11,103 documented victims of human rights violations under the Marcos

152154).

The forfeited billions of pesos from the illicit Marcos Swiss bank accounts have been used primarily, under Republic Act 10368 (2013), to compensate the 11,103 documented victims of human rights violations under the Marcos dictatorship.

The hunt for the Marcos stolen wealth, even after the late dictator's son's election, continues to this day. While the retrieval of the Swiss bank accounts was a major victory, the quest for the remaining Marcos ill-gotten wealth plods on.

Aquino cites peace efforts

Presidential emissary Agapito "Butz" Aquino said yesterday that the Moro National Liberation Front (MNLF) under Nur Misuari was preparing for a resumption of hostilities with the government when the People Power Revolution broke out.

"Instead of armed confrontation, the Cory government, in a spirit of unity and reconciliation, sought to resolve peacefully the problem in Mindanao," Aquino said.

"If we had not pursued this course of action, chances are we would now be engaged in another bloody warfare which during the Marcos regime has conservatively taken 50,000 lives," he said.

"Today the Mindanao and the outlaying islands of Basilan, Sulu, and Tawi-Tawi are enjoying relative peace," he added.

Aquino made the statements as he vowed to continue his participation in the peace negotiations as adviser despite his candidacy for the Senate. He will participate both in the Cordillera and Mindanao negotiations.

Despite difficulties that attended the peace talks, Aquino said that "resolving the problem in the negotiating table is still to be preferred to resolving it in the battlefield."

Both Aquino and National Affairs Secretary Aquilino Pimentel have resigned officially as negotiators in the peace talks because of the forthcoming campaign for the senatorial elections.

The MNLF had previously warned of a possible collapse in the peace talks if it perceives new members of the government panel

NAT'L SCHOLARSHIP PROGRAM. UP President Ed Angara proposes the establishment of a national merit scholarship program to enable poor but deserving students to have access to college education. Speaking before the Sangguniang Panlalawigan members, town mayors, vice mayors, and barangay councilmen from all the 48 municipalities of Bohol, Angara stressed that education is the key to a better future.

Centrist women organize

An alliance of women's organizations and individuals from the middle forces called Women Involved in the Nation (WIN) will hold its founding congress on Sunday, March 8, at the Folk Arts Theater, 7:30 a.m.-6:30 p.m.

WIN aims to harness the collective resources of women who subscribe to centrist principles, so that they may more actively participate in the national task of democratic restoration and social reform.

The keynote speech will be delivered by Foreign Affairs Undersecretary Leticia Ramos Shahani, and a closing inspirational message from President Corazon C. Aquino will be read by Popsy M. Aquino.

Seminar takes up environment issues

A two-day seminar on environment is being held at the Manila Garden under the joint sponsorship of the Employers Confederation of the Philippines, the International Labor Organization (ILO) and UNEP.

The two-day course which ends today seeks to provide basic information on environmental management from the view point of the enterprise and promote awareness of sound environmental management.

In his opening address, Dr. Gert A. Gust, director of ILO Manila, said the ILO has a constitutional mandate to promote environmental awareness both in relation to work and in the living environment.

Dr. Gust also mentioned the active cooperation between ILO

ocentes called for a reexamination of the Philippine government's industrialization strategy in the context of the environmental situation.

Inocentes cited the situation at Laguna Lake where the uncontrolled discharge of wastes and pollutants has impaired the quality of the environment and created new health risks. He expressed hope that entrepreneurs would become more and more involved in environmental concerns.

ILO-UNEP senior consultant Leon De Rosen suggested the establishment of a National Environmental Council as a consultative body on environmental issue.

WE REMEMBER YOU, MAMA COCO! 🥹

Disney and Pixar have officially announced that "Coco 2" is coming to theaters in 2029.

"We are officially returning to the Land of the Dead in 2029 with Coco 2!" the studios said in a Facebook post.

At this time, I am still filled with anger, grief, and confusion. Because of what happened, I initially blamed some of the people involved because I genuinely did not understand what was happening at that moment.

I would like to clarify my previous post regarding the 911 issue.

First, I would like to sincerely apologize for the inappropriate words I used regarding the 911 hotline. I was extremely emotional and overwhelmed by what was happening to my father at that time. I'm very sorry po.

I recently found out that the ambulance from our barangay was not the ambulance dispatched by 911.

After I ended my 911 call, nakita ko na unconscious na ang tatay ko. After around 2–3 minutes, agad na pumunta ang kuya ko sa barangay hall para humingi ng tulong o assistance.

After that, agad-agad namang pumunta sa bahay namin ang mga barangay responders.

And regarding po sa equipment and personnel ng barangay ambulance, minadali

And regarding po sa equipment and personnel ng barangay ambulance, minadali talaga ng kuya ko ang paghingi ng tulong at pagsakay sa ambulance.

Dahil sobrang bilis ng pangyayari, hindi ko po masasabi nang sigurado kung bakit may mga equipment o personnel na hindi available noong dumating sila.

Ayoko rin pong mag-assume o magbigay ng maling impormasyon tungkol dito.

Nagpapasalamat po ang buong pamilya namin sa mga barangay officials, responders, at lalo na sa driver ng barangay ambulance sa kanilang agarang pagtugon at pagtulong sa amin noong mga oras na iyon. Maraming maraming salamat po. 🙏

According to my phone's call history:
12:18 PM — My call with 911 ended.
12:38 PM — I received a call from the ambulance associated with the 911 response and asking if where is the patient and my sister response was that we are already in the hospital.

And yes po by that time, nasa hospital na kami. Kaya hindi po namin personally makumpirma kung nakarating ba sa bahay namin ang ambulance [illegible] response or kung ano ang nangyari sa

And yes po by that time, nasa hospital na kami. Kaya hindi po namin personally makumpirma kung nakarating ba sa bahay namin ang ambulance na associated sa 911 response or kung ano ang nangyari sa response na iyon.

Since this matter already raised with our Honorable Secretary Jonvic Remulla and the appropriate government authorities, ako at ang pamilya ko po ay nagdesisyon na huwag na munang sumagot sa mga katanungan tungkol sa incident na ito.

Ayaw na rin po naming gumawa ng karagdagang assumptions o accusations habang iniimbestigahan ang nangyari.

But if there were failures or delays in the emergency response, hayaan po nating imbestigahan ng mga authorities kung ano talaga ang nangyari at kung ano ang kailangang ayusin sa sistema.

Ang tanging hiling lang po namin ay sana wala nang ibang pamilya ang makaranas ng ganitong sitwasyon.

Again, I'm sincerely sorry for the inappropriate words I used regarding 911, and I'm also sorry for the confusion regarding the barangay ambulance.

We were scared, we were grieving, and we were trying to save my father's life. Nag-react po ako dahil sa takot at galit, pero inaamin ko rin po kapag may kailangan akong itama.

Maraming salamat po sa lahat ng tumulong sa amin. 🙏

In a luncheon Friday, Marcos said that he has not been updated on the non-payment of his family's estate taxes amounting to billions as he is occupied with his mandate as the chief executive.

He added the assets should not be called "ill gotten" as their victory in civil cases prove that the wealth was not illegally acquired.

ATOM STATEMENT: A Marcos has lied again.

We vehemently disagree with this claim of Mr. Marcos, Jr, that some of the Marcos family assets are not ill-gotten. This is absolutely untrue & fake news!

Although this is not surprising, considering that the Marcos brand has always been known to be associated with lies and propaganda.

We would like to remind everyone that in 2018 alone, former First Lady Imelda Marcos was sentenced by the Sandiganbayan to prison for 6-11 years.

This is for violating the anti-corruption law when she was found to have illegally funneled $200 million to Swiss foundations in the 1970s, as governor of Metro Manila.

During the popularity of Filipino pocketbooks, many readers had authors they especially looked forward to reading. A familiar name on the cover could already be enough reason to pick up a new book, especially when we knew we could expect another story we would enjoy.

For longtime pocketbook readers, these writers became familiar names. We followed their stories, waited for new releases, and sometimes chose a book simply because we recognized the author printed on the cover.

But there was something many readers may not have known at the time: some authors wrote under pen names that did not necessarily reveal who they really were.

One fascinating example is **Digna De Dios**, a name associated with Filipino romance pocketbooks published through Precious Hearts Romances (PHR).

According to information attributed to the writer himself, Digna De Dios was the pen name of Ramil D. Soliveres, a male writer who became known for writing romance novels.

Among the works associated with the Digna De Dios name is *Breathless Encounter*. The name is also connected with titles from the *Mirabella Series*, including *So Long*, *Mirabella* and *Aloha*.

For readers who knew Digna De Dios simply as the name printed on the covers of the pocketbooks they loved, discovering that the writer was actually a man was certainly an interesting surprise.

It also gives us a glimpse into the role of pen names in the pocketbook publishing industry. An author could become widely recognized through a pseudonym, while the person behind that name remained relatively unknown to the reading public.

That was part of the charm of the pocketbook era. Readers became attached to the stories, characters, and familiar names on the covers, even without knowing much about the writers behind them.

Looking back today, these old pocketbooks are more than just nostalgic pieces of our reading past. They also remind us of the authors who created the stories that kept generations of Filipino readers turning the pages.

And among those memorable names was Digna De Dios, a feminine-sounding pen name behind which was a male writer, ***Ramil D. Soliveres***.

🍁 In Nagano's Ueda area, Kakuma Gorge feels made for legends.

🏞️ Set about 15 kilometers northeast of central Ueda, this rugged ravine is closely tied to the story of Sarutobi Sasuke, the famous ninja figure associated with the Sanada clan. With steep cliffs, dramatic rock formations, forest paths, and the Sarutobi Boulders, the landscape makes it easy to imagine a training ground shaped by agility, secrecy, and mountain survival.

The gorge also carries a strong seasonal draw. In autumn, the cliffs and trees create one of those Nagano scenes where history and nature seem to sharpen each other. Nearby sights such as Iwaya Kannon, reached by stone steps, add another layer to the visit.✨

Pair Kakuma Gorge with Ueda Castle and Bessho Onsen for a trip through Sanada history, ninja folklore, and mountain scenery. 🥷 🌲

Feast of the Assumption of Mary — August 15

Today, we celebrate the assumption of the Blessed Virgin Mary's mind, body, and soul into Heaven at the end of her earthly life. While Jesus *ascended* to Heaven with His own divine power, Mary was *assumed* there by the power of God.

As we reflect on this beautiful event, let us consider the redemptive power of Jesus, and His promise of eternal life for all who follow Him.

'VERY WELCOME': DEFENSOR SUPPORTS PROPOSED PAX SILICA PROJECT

Iloilo Governor Arthur Defensor Jr. has backed the proposed Pax Silica artificial intelligence (AI)-native hub in New Clark City, Tarlac.

"This is very welcome bacause we should catch up. Sa kada hambal sang Presidente we are happy that we are in the same direction," he said in a press conference.

"That's why we have a TechnoHub sa high school kay we are thinking of the same thing. Gusto naton magcatch up sa AI, drown development, 3D printing something like that.

"We can have a smaller version of that (Pax Silica) here in Iloilo [...] because we have an international airport. Usually the products of those things you can put on an airplane and transport," he continued.

The Pax Silica project, a "U.S.-led strategic initiative to build a secure, prosperous, and innovation driven silicon supply chain," was mentioned by President Bongbong Marcos during his fifth State of the Nation Address (SONA) last month.

“It will bring quality jobs to our people, accelerate our industrial competitiveness, and revitalize our economy,” Marcos said.

“As a strategic component of the Luzon Economic Corridor, the hub will be an advanced manufacturing and logistics center in the global AI and technology value chain,” he added.**#IMTNEWS**

#RANT on a person's claims on RPN's current status.

The Daily Basis has a rant about a person who claimed that RPN-9 is still a government-controlled network.

Let me give you a straight about the future of "The Leader Network".

in 2011, in a press conference regarding to RPN-IBC privatization, former PCOO Secretary Herminio Coloma declared that "Radio Philippines Network is no longer a government-controlled corporation" that means the network was privatized by 80% from several private companies such as Solar Entertainment Corporation which has a 34% share and became majority to control RPN, while Benedicto Family under Far East Managers and Investors (FEMI) has a 32% share while other private stock has 14% share. leaving 20% share belongs to the government through Presidential Communications Office but for non-controlling stake only due to the unresolved assets from 1986 sequestration meaning the PCO has no power to contol RPN.

in 2013, Solar Entertain

Aug 16, 2026 19:56:25

in 2013, Solar Entertainment sold its 34% ownership share of RPN to ALC Group through Nine Media Corporation (formerly Solar Television Network, Inc.) which is a former subsidiary of Solar due to its financial loss after they privatized RPN two years ago.

in other words RPN is still a private company.

"The Leader" today

RPN, now as a private broadcast compnay is still alive and kicking on both Radyo Ronda and RPTV brands. with a partnership with TV5, they brought back two major programs on "The Leader", Eat Bulaga and PBA. as RPTV they bring news, public service, sports and entertainment and became an alternative channel to TV5 and One Sports.

RPTV is the 10th rebrand of RPN since KBS through its history from KBS to original RPN name to New Vision 9 to RPN once again to C/S to Solar TV to ETC (which is returned to SBN frequency) to Solar News Channel to 9TV to CNN Philippines.

once again, RPN is still a private company under ALC Group.

Nearly 10 minutes waiting for 911 only to hear laughter on the line.

Filipino actor and performer Basty Askri has publicly criticized the Philippines' emergency response system after claiming he struggled to get help during his father's medical emergency. His father later died.

In a Facebook post on August 15, Askri said he repeatedly called the country's 911 emergency hotline but waited almost 10 minutes before someone answered. When his call was finally picked up, he alleged that he was repeatedly told to wait while he could hear people laughing and talking in the background.

Then his father went into cardiac arrest.

Askri said he immediately began performing CPR himself and continued while waiting for an ambulance to arrive. But according to him, the situation remained difficult even after emergency responders reached them.

He alleged that the ambulance did not have an automated external defibrillator, or AED, and lacked adequate equipment. He also claimed no responder immediately took over CPR, leaving him to continue trying to revive his father.

He alleged that the ambulance did not have an automated external defibrillator, or AED, and lacked adequate equipment. He also claimed no responder immediately took over CPR, leaving him to continue trying to revive his father.

"I was still the one doing CPR," he wrote.

Askri said his angry post was not simply an emotional outburst. He wanted people to understand what it was like to desperately seek emergency assistance when someone they love was in immediate danger.

The incident has drawn attention to the Philippines' Unified 911 Emergency Hotline, launched nationwide in September 2025 to bring police, fire, medical and disaster services under one emergency number. At its launch, the Department of the Interior and Local Government said the system was targeting a five-minute response time.

Askri's account has not been independently verified, and 911 authorities and the local government concerned have yet to publicly explain what happened.

But his story raises a difficult question for the Philippines and other countries building centralized emergency systems: when every minute can determine whether someone lives or dies, what should citizens reasonably expect when they dial the one number designed specifically for that moment?

Walang kwentang 911 😉

#cttophotonotmine

Tangina mo, 911. Tangina mo, Pilipinas.

Halos 10 minutes na akong tumatawag sa 911 pero wala pa ring sumasagot.

At nung may sumagot na, putangina, puro "wait". Rinig na rinig ko pa yung tawanan at chikahan habang may taong nangangailangan ng emergency assistance.

Tapos inatake na ang tatay ko.

Ako mismo ang nag-CPR sa kanya. Ang tagal kong nag-CPR habang hinihintay namin ang ambulansya.

At nung dumating na ang ambulansya, walang

Tangina, ano 'to?

I post this hindi dahil nagtatantrums ako or what
Pinost ko to dahil gusto ko marealize ninyo na dapat lang magalit kayo sa kabulukan na systema ng pinas. I love taguig amputa pakyu taguig

Nagmumura ako kasi galit ako

Galit ako dahil naranasan ko mismo kung gaano kahirap humingi ng emergency assistance kapag ang mahal mo sa buhay ay nangangailangan nito.

Tangina at kung di kapa galit sa systema, bakit?

In Today's History: The Killing of Kian delos Santos

On Aug. 16, 2017, 17-year-old Grade 11 student Kian delos Santos was killed by police officers during the Duterte administration's war on drugs in Barangay 160, Caloocan City.

Police initially claimed that Delos Santos resisted arrest and fired at the officers. However, CCTV footage and witness accounts contradicted the police version, showing officers dragging the teenager before he was shot.

The case sparked widespread public outrage and renewed calls for accountability over deaths linked to the government's anti-drug campaign.

On Nov. 29, 2018, three police officers involved in Delos Santos' killing were found guilty of murder and sentenced to reclusion perpetua, or imprisonment of up to 40 years without parole.

The Catholic Church has continued to call for justice for innocent victims of extrajudicial killings, including Kian delos Santos, while urging accountability, respect for human dignity, and the protection of every person's right to life.

15 years ago, HOP was released in theaters. 🐰

It remains the lowest-grossing movie in Illumination's history.

Despite being one of the studio's earliest films, HOP never came close to the box-office success of Illumination's later hits, making it a notable low point in the studio's history.

Bago kayo tumawa, kilalanin muna natin kung sino ang tinatawanan ninyo.

Ang pangalan niya ay Raymart Siapo. Labinsiyam na taong gulang. Ipinanganak siyang may bilateral clubfoot—deformed ang magkabilang paa. Hirap siyang maglakad nang normal. Mas lalong hindi siya basta makakatakbo.

Habang nasa Navotas si Raymart, nasa Kuwait ang nanay niyang si Luzviminda, nagtatrabaho bilang kasambahay. Isa sa milyon-milyong Pilipinang ina na kailangang lumayo sa anak para may maipadala sa bahay.

Noong 2017, ayon sa mga naunang ulat at testimonya, nagkaroon umano ng alitan si Raymart at isang kapitbahay. Pagkatapos ng away, iniulat siya sa barangay at inakusahan na nagbebenta raw ng marijuana.

Pansinin ang salitang iyon: inakusahan.

Hindi nahatulan.

Hindi dumaan sa paglilitis.

Walang hukom na nagsabing guilty.

Pagkaraan, ayon sa testimonya ng kanyang ina at mga salaysay na naila[illegible], dumating ang mga armadong lalaki. Tinatayang

Aug 16, 2026 21:49:05

Pagkaraan, ayon sa testimonya ng kanyang ina at mga salaysay na nailathala tungkol sa kaso, dumating ang mga armadong lalaki. Tinatayang labing-apat umano sila. Hinanap si Raymart. Nagtago siya sa bahay ng kaibigan.

Hindi raw siya dinampot na parang ordinaryong suspek na may warrant, abogado at karapatang marinig sa korte.

Ayon sa salaysay, tinakot ang mga taong kumukupkop sa kanya hanggang lumabas siya.

Pinalo umano siya ng baril.

Tinakpan.

Isinakay sa motorsiklo.

At dinala sa dilim.

Dito nagiging halos imposibleng basahin ang kuwento nang hindi mapapahinto.

Ayon sa mga saksi, pinatakbo raw si Raymart.

“Tumakbo ka.”

Isipin ninyo iyon.

Isang batang lalaki na ipinanganak na baluktot ang dalawang paa.

Aug 16, 2026 21:49:18

Isang batang lalaki na ipinanganak na baluktot ang dalawang paa.

Isang taong hirap nang lumakad.

Pinapatakbo ng mga armadong lalaking may hawak na kapangyarihan sa kanyang buhay.

Hindi siya makatakbo.

Ano bang gusto ninyong gawin niya? Magmilagro?

Sa mga salaysay, naupo na lamang si Raymart nang hindi niya magawa ang ipinagagawa sa kanya.

At doon siya binaril.

Ang naunang medico-legal report ay nagtala ng tatlong tama ng bala sa ulo. Sa mas bagong pagsusuri, sinabi ng forensic pathologist na si Dr. Raquel Fortun na ang kamatayan ay homicide at ang mga tama ay nagpapakitang binaril siya mula sa relatibong malapit na distansya.

Hindi ito eksena sa Netflix.

Walang director na sisigaw ng “cut.”

Walang artista na babangon kapag tapos na ang take.

May totoong bala.

May totoong bungo.

May totoong labing-siyam na taong gulang na hindi na nakauwi.

At may totoong nanay sa Kuwait na nakatanggap ng balitang patay na ang anak niya.

Pero para sa ilang panatikong DDS sa comments, mas madaling maniwalang “scripted” ang luha kaysa tanggapin na may mga totoong pamilyang nawasak sa ilalim ng war on drugs ng lider na ipinagtatanggol nila.

Dahil kapag fanatic ka na, nag-iiba ang burden of proof.

Kapag biktima ang nagsalita, kailangan niyang patunayan muna na karapat-dapat siyang kaawaan.

Kapag idol ang nasasangkot, sapat na ang “propaganda lang ’yan.”

Aug 16, 2026 21:49:25

Kapag idol ang nasasangkot, sapat na ang “propaganda lang ’yan.”

Gustong umuwi ni Luzviminda.

Pero ayon sa kanyang kuwento, ayaw siyang payagan agad ng employer niya.

Kaya lumuhod siya.

Nagmakaawa.

At ayon sa naunang ulat tungkol sa kanyang karanasan, tatlong beses niyang hinalikan ang paa ng amo niya para lamang payagang umuwi sa Pilipinas at mailibing ang anak.

Basahin ninyo ulit iyon bago mag-type ng “hahaha.”

Isang nanay ang kailangang humalik sa paa ng ibang tao para makita ang bangkay ng sariling anak.

At hindi pa doon natapos ang kahihiyan.

Lumipas ang mga taon.

Dahil mahirap ang pamilya at hindi na kayang bayaran ang pananatili ng puntod, kinailangang hukayin muli ang labi ni Raymart.

Aug 16, 2026 21:49:30

At nang ilabas ang mga buto niya, walang

Dahil mahirap ang pamilya at hindi na kayang bayaran ang pananatili ng puntod, kinailangang hukayin muli ang labi ni Raymart.

At nang ilabas ang mga buto niya, walang maayos na lalagyan.

Inilagay ang mga labi niya sa itim na garbage bag.

Garbage bag.

Ang anak na inalagaan mo mula sanggol.

Ang batang pinakain mo.

Ang batang pinangarap mong balikan mula Kuwait.

Ang batang pinatay habang wala ka sa bansa.

Uuwi sa iyo bilang mga butong nakalagay sa supot na ginagamit natin sa basura.

Kasama pa roon ang mas batang kapatid ni Raymart, na hindi man lamang siya nakilala. Sa isang ulat, inakalang parang basura lamang ang pinupulot ng matatanda habang inilalagay ang mga buto sa bag.

Ito ang tinatawag ninyong "cinematic."

Aug 16, 2026 21:49:35

Ito ang tinatawag ninyong "script."

Ito ang kinatatawanan ninyo.

At dito nagiging malinaw ang sukdulan ng Duterte fanaticism: hindi na kailangang patunayang kasinungalingan ang kuwento. Kailangan lamang itong pagtawanan para hindi na kailangang harapin.

Hindi na kailangang sagutin ang forensic findings.

Hindi na kailangang sagutin ang mga saksi.

Hindi na kailangang itanong kung sino ang kumuha kay Raymart.

Basta tawaging "anti-Duterte."

Tapos na ang imbestigasyon.

At bago may sumagot ng, "Eh baka adik naman, " ayusin natin ang katotohanan.

Walang publicly established drug test na nagpapatunay na drug-dependent si Raymart. Walang hatol ng korte na nagsasabing drug dealer siya. Walang conviction na maipapakita para sabihing kriminal siyang napatunayang guilty.

Aug 16, 2026 21:49:39

May akusasyon.

May akusasyon.

At maging ang akusasyon ay may mga tanong.

Ang unang paratang: marijuana.

Pagkatapos siyang patayin, ang sinasabing narekober naman: shabu at baril.

Marijuana bago mamatay. Shabu pagkatapos mamatay.

Hindi awtomatikong patunay iyon na planted ang ebidensya. Pero sa kahit anong matinong imbestigasyon, malaking tanong iyon na kailangang sagutin—lalo na kapag ang taong dapat sumagot ay patay na.

At tandaan natin ito: kahit pa ipagpalagay nating gumamit siya ng droga, kahit pa ipagpalagay nating nagbenta siya, hindi nagiging legal ang pagdukot, pagpapahirap at pagpatay.

Hindi death penalty ang tsismis sa barangay.

Hindi court decision ang watchlist.

Hindi warrant ang bulong ng kapitbahay.

At hindi judge ang lalaking nakabonnet na may baril.

Pero sa isip ng panatiko, [illegible]

Aug 16, 2026 21:49:44

batas:

Pero sa isip ng panatiko, may shortcut ang batas:

Kapag tinawag na “adik,” tapos na.

Kapag tinawag na “pusher,” puwede nang kalimutan ang due process.

Kapag may namatay, tanungin muna kung DDS narrative ba ang masasaktan bago itanong kung may nilabag na karapatan.

Iyan ang tunay na lason ng fanaticism.

May nagsabi pa sa comments: “Late reaction naman, 2017 pa nangyari.”

Parang may expiration date ang pagluluksa.

Parang kapag lumipas ang siyam na taon, dapat tumigil na ang nanay sa paghingi ng sagot.

Kung pinatay ang anak mo ngayong gabi, sabihin mo sa sarili mo kung ilang taon bago dapat mawalan ng bisa ang sakit.

Isa?

Lima?

Siyam?

Aug 16, 2026 21:49:48

O baka walang expiration date ang tanong na:

“Sino ang pumatay sa anak ko?”

May nagsabi rin: “One-sided commission. Paano naman ang victims ng droga?”

Oo. Pakinggan natin sila.

Tulungan natin sila.

Usigin natin ang mga drug lord.

Ikulong ang mga pusher kapag napatunayang guilty.

Protektahan ang mga pamilyang winasak ng addiction.

Pero hindi mo kailangang pumili kung kaninong inosenteng buhay ang mahalaga.

Ang biktima ng droga at ang biktima ng extrajudicial killing ay parehong Pilipino.

Justice is not a seesaw. Hindi kailangang ibaba ang dignidad ng isang patay para maitaas ang dignidad ng isa pang biktima.

At ito ang problema sa “what about the drug victims?” kapag ginagamit bilang panangga kay Duterte: hindi na iyon malasakit sa drug victims. Ginagawa silang human shield laban sa

Aug 16, 2026 21:49:53

At ito ang problema sa “what about the drug victims?” kapag ginagamit bilang panangga kay Duterte: hindi na iyon malasakit sa drug victims. Ginagawa silang human shield laban sa accountability.

Dahil kung tunay kang galit sa krimen, dapat galit ka rin sa ilegal na pagpatay.

Kung tunay kang naniniwala sa batas, hindi mo dapat kailanganing patayin ang due process para mapatunayan na seryoso ka laban sa droga.

At marahil iyon ang pinakamalaking trahedya rito.

Hindi lamang si Raymart ang pinatay.

May isang bagay ding unti-unting pinatay sa atin noong mga taong iyon: ang simpleng reflex na maawa muna bago magtanong kung anong political camp ang biktima.

Dati, kapag may inang umiiyak dahil pinatay ang anak niya, natural na reaksyon ang “Diyos ko, anong nangyari?”

Ngayon, sa ilang panatikong DDS, ang unang reaksyon ay:

“Anti-Duterte ba ’yan?”

Aug 16, 2026 21:49:56

“Anti-Duterte ba ’yan?”

“Scripted ba?”

“Adik ba?”

“Propaganda ba?”

At kapag nakakasakit sa pangalan ng idolo:

“HAHAHA.”

Iyan ang nakakatakot sa kulto ng personalidad.

Hindi lang nito tinuturuan ang tao na ipagtanggol ang lider.

Tinuturuan nitong baguhin ang sariling moral standards para hindi kailanman maging mali ang lider.

Kapag kalaban ang namatay: human rights.

Kapag pinatay sa ilalim ng idol: “baka may kasalanan.”

Kapag kalaban ang umiiyak: biktima.

Kapag nanay ng drug-war victim ang umiiyak: “scripted.”

Hindi iyan pagiging matapang.

Aug 16, 2026 21:50:00

Hindi iyan pagiging matapang.

Hindi iyan pagiging “realist.”

Hindi iyan pagmamahal sa bayan.

Moral anesthesia iyan.

Kapag kaya mo nang pagtawanan ang isang inang nagkukuwento kung paano pinatakbo ang anak niyang pilay bago barilin dahil ayaw mong may bahid ang pangalan ni Rodrigo Duterte, hindi na ang Truth Commission ang kailangang siyasatin mo.

Sarili mong konsensya.

Dahil puwedeng pagdebatehan ang polisiya.

Puwedeng pagdebatehan ang administrasyon.

Puwedeng pagdebatehan ang bilang, proseso at pananagutan.

Pero may mga bagay na hindi dapat nakadepende sa kulay ng pulitika:

Na ang akusado ay may karapatang humarap sa korte.

Na ang mahirap ay tao rin.

Na ang adik ay tao rin.

Aug 16, 2026 21:50:04

Na ang adik ay tao rin.

Na ang suspek ay tao rin.

At na walang ina ang dapat humalik sa paa ng amo para makauwi sa bangkay ng anak—at pagkatapos ng ilang taon, buhatin ang mga buto nito sa garbage bag—habang may mga kababayan siyang nanonood at nagko-comment ng:

“HAHAHAHA.”

Hindi nakakatawa ang kuwento ni Raymart Siapo.

At hindi rin ito simpleng debate tungkol kay Duterte.

Pagsusulit ito sa kung may natitira pa bang prinsipyong mas mataas sa political loyalty.

Dahil darating ang puntong ang pinakamalaking tanong ay hindi na kung bakit kayang gawin ng isang gobyerno ang ganitong bagay.

Kundi kung paano umabot sa puntong may mga Pilipinong handang pagtawanan ang isang nagluluksa na ina para lamang hindi kailangang amining maaaring may dugo sa politikang minahal nila.

Aug 16, 2026 21:50:08

Ang nakakatakot ay hindi kung gaano ka-

Ang nakakatakot ay hindi kung gaano ka-“cinematic” ang kamatayan ni Raymart.

Ang nakakatakot ay kung gaano karaming panatiko ang nakapanood ng isang ina na umiiyak…

at piniling ipagtanggol muna si Duterte bago maalalang tao rin sila.
